Dear Parents,

The preparations for Montroyal's winter concert 'The Nutcracker ' is now underway with the children practicing their parts during music class. We are so fortunate that over the years, Montroyal's performances have been well supported by the parent community , making costumes and sets, setting up the lights and sound, moving risers, cleaning up, dressing and makeup, as well as shopping and searching for props. **If you can help out this year.....**

Please email Janet Hill jhill@sd44.ca

for sound, sets, props, cleanup and moving risers and sets.

***Equipment moving Tuesday, November 29 at 7:00 p.m. in the music room

***Sound and lighting equipment set up Wednesday, November 30 at 7:00p.m. in the gym

***Cleanup: Thursday, December 8 after the evening show is over.

***Equipment Rental Return (need a large vehicle for moving speakers and and lighting back to Long and McQuade)

Please email Rebecca Rutter rebeccarutter7@gmail.com

for dressing, makeup, shopping.

***We are needing someone to organize the parent volunteers for the daytime shows. You will be working with Christine Hambleton who is overseeing all of the costuming and the evening shows.

***We will need parent volunteers for dressing and makeup at the daytime and evening shows. I highly recommend that you volunteer on the day that your child is not performing.
