

Holiday Market Student Permission

Once again Montroyal Elementary is excited to be promoting the MPAC Holiday Market Fundraiser. This year's market will be on **Friday December 1st** from 12-3:30pm. This is a great event that many families and students help at. As usual we will require some volunteers for set up and clean up. As the market does take place during regular school day hours, we require parent and teacher permission for students if they will be missing classes for any length of time. This allows us to make sure that a student is caught up on all of their classwork and has their parent's permission to be out of class. For safety reasons, having this form will help us know where students are expected to be during the school day. Please check the appropriate box(es) regarding your child's participation in our MPAC Holiday Market and have your child return it to the school office by Monday November 27th, 2017.

- I understand that **my child has purchased a table** and will be working at the Holiday Market from 11:30am-3:30pm (an adult must be present for the duration of the Market)
- My child will be working with me at our **family purchased table** from 11:30am-3:30pm
- My child has my permission to work at the table owned by _____
(table owner)
and understands that no more than **three** students are to be working at the table at any one time and there will be a parent present.

(Student Name)

(Parent Name)

(Parent signature)

Teachers:

- This student is caught up on their class work and has my permission to volunteer/work at the MPAC Holiday Market on December 1, 2017
