

# Welcome to the Montroyal PAC Ordering System

## Getting Started

Go to: [www.montroyal.hotlunches.net](http://www.montroyal.hotlunches.net) in your browser window or follow the link from our MPAC website. This is the screen you will see:

The screenshot shows the HotLunches.NET website interface. At the top, there's a header with the logo and a navigation bar with links: LOGIN, HELP, FORGOT PASSWORD, and REGISTER. Below the header, a welcome message reads: "Welcome to Montroyal PAC North Vancouver, BC". The main content area is titled "STAY IN THE KNOW! Montroyal PAC welcomes you to the 2015/2016 school year." and includes a section "We have moved to a new system..." with instructions for new and returning families. It also lists instructions for getting started, including a link to the Parent Guide and a "Click Here to Register" link. On the right side, there's a "Montroyal Elementary School North Vancouver, BC" login box with fields for Email Address and Password, a "Remember Login" checkbox, a "Login" button, and a "Click Here to Register" link. At the bottom, there's a footer with the text "Powered by Hot Lunches On-Line - www.hotlunches.net - 174.7.108.193" and a "Share on Facebook" link.

To use the system, you will be required to register and provide your name, phone number and email address. This site has an SSL Certificate to provide full security of your personal information, and only the information required to manage the lunch program is required. The MPAC system administrators cannot access your password and you select your own user id.

To register for an account click on the "**REGISTER**" tab on the main menu bar or "[Click Here to Register](#)" in the right hand box. This will take you to the registration form to create an account for your family. Each family will have one account and each student at the school will be linked to this account. Once you have created your account you will be able to login and edit your contact information and add additional parent/guardian contact information.

To register, enter the **SCHOOL ACCESS CODE** that is provided in the **Welcome Package**. Provide other information as required to complete your registration.

Once you have registered, you can immediately LOG IN.

**\*\*NOTE for Split Families\*\*** Where both parents want to access the system and place orders, the MPAC system administrators will need to add the students for the second registered parent. Please contact [info@montroyalpac.com](mailto:info@montroyalpac.com) for assistance.

This is a close-up of the login form. It has a title "Login". Below it are two input fields: "Email Address:" with the text "mark@address.com" and "Password:" with masked characters "\*\*\*\*\*". There is a "Remember Login:" checkbox. Below these fields is a "Login" button. At the bottom of the form is a link "[Click Here to Register](#)".

### Step 1 - Manage Contact Info

Once you have logged into the system you will be at the "**Home**" page. This is the first screen you will see each time you login and from here you can quickly access the major sections of the system.

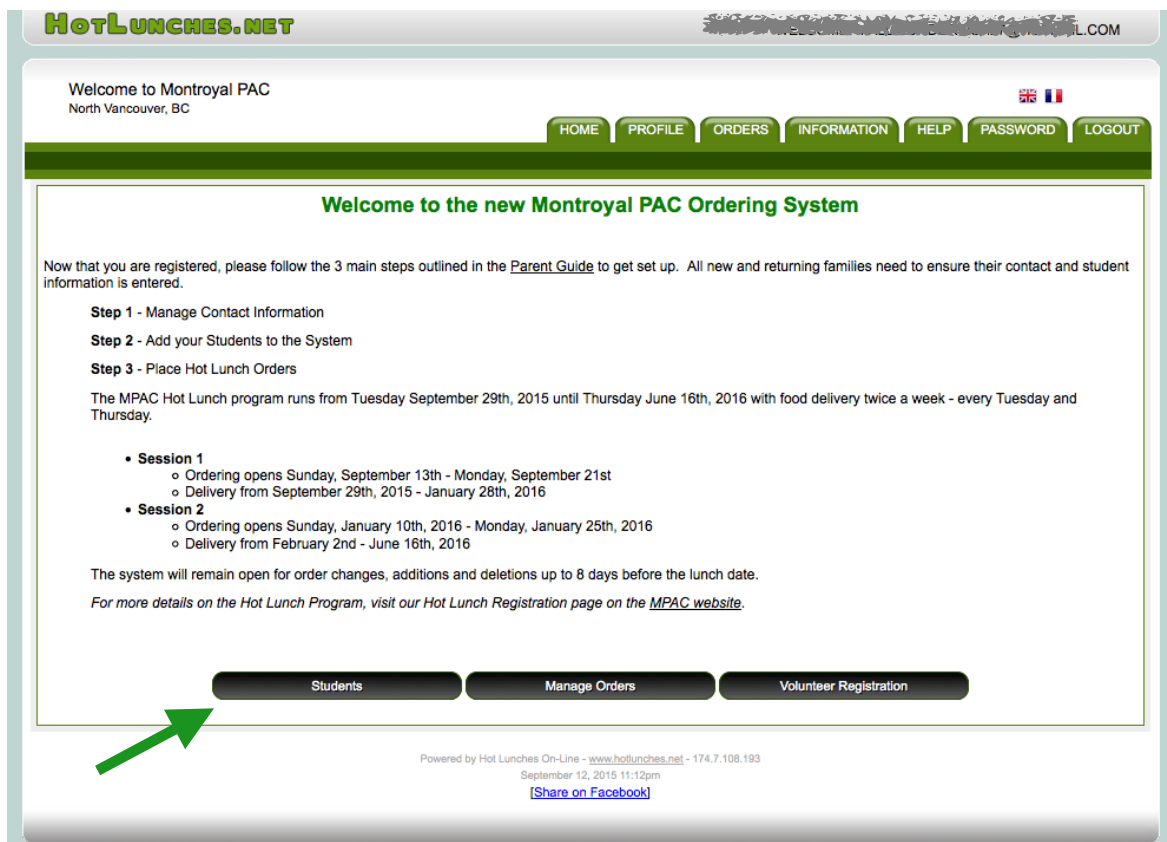

The **first step** is to verify your contact information. Your contact information is the information that is displayed in the printed MPAC School Directory. You can display or remove any of the values in the contact record to ensure that your privacy is protected or to provide information to other parents such as additional parent/guardian or caregiver information. If you have elected to be on the MPAC email list, the emails displayed in the contact list will be included.

Click "**PROFILE**" tab then "**Manage Contact Info**" to edit, add another contact (Click "**Add New**") or update contact information.

### Step 2 - Managing Students

The second step is to add your students to the system so that orders can be placed for them. To add your children to the system return to the "**HOME**" page, then click on the "**Students**" button to access the student administration screen.

## Parent Instructions

You are now on the “**Student Administration**” screen. Click “**Add New**” and this is the next screen you will see:

The screenshot shows the 'Insert a New Entry' form within the 'Student Administration' section of the Montroyal PAC website. The form includes fields for 'First Name', 'Last Name', and 'Grade'. There is a radio button selection for 'Available for Babysitting' with 'Yes' and 'No' options, and a text box for a comment. A 'Class' dropdown menu is set to 'Select a Class from List', and a 'Preferred Name' text box is present. A section titled 'Student Allergies and Food Sensitivities' contains a list of allergens with checkboxes: Dairy, Gluten-Free Diet, Strawberry, Tree Nuts, Pork, Peanuts, Sesame seeds, Eggs, Seafood (fish, crustaceans and shellfish), Soy, Sulphites, and Wheat. An 'Insert' button is at the bottom of the form.

## Parent Instructions

### Step 3 - Placing Lunch Orders

Once your students have been added to the system you can immediately place lunch orders for each student. On the "**Student Administration**" screen click the "**Order**" button beside each student's name. The "Student Administration" screen will list all your registered students and the information about any pending, current or recent orders that have been placed for each student.

Each student is listed with their class information and their status in the system. Once the MPAC system administrators have verified each student the status will change from "**Unverified**" to "**Verified**". Below each student's information is a list of the current and recent schedules and the orders that were made in each schedule for the student.

By clicking on the "**Order**" button you will be able to place or edit an order for the student. You are allowed to change orders, however orders need to be placed minimum 8 days prior to the lunch delivery date. No changes will be permitted outside of the 8 days window. If a change results in a credit, you will receive a credit towards your family account.
