

DROP-OFF/PICK-UP SAFETY RULES

1. No waiting or parking in the zone from 8 am–4 pm.
2. Pull up as far to the top of the zone as possible before stopping.
3. Children must exit/enter from the passenger side (**driver MUST stay in vehicle**).
4. Enter the zone at the bottom, and exit from the top. **DON'T pull around cars in the zone.**
5. Signal and **SHOULDER CHECK** before you pull out.

**If your child needs help, don't use the zone. Park in a parking zone (see below), then assist them.*

**If your child is not there, don't wait in the zone. Follow the car in front of you to exit the queue and drive around the block. Continue circling until you see your child in the zone (or even better: park in a parking zone, then walk.)*
