4. Vote on an ~\$1,300 spend towards Decodables Phonics Books
 - As per our General MPAC meeting on November 29, 2023, the Montroyal administration has indicated that the most impactful spend that PAC could make to support the teachers at the moment would be to allocate approximately \$1,300 towards Decodable Phonic Books for the school's primary aged children. We are proposing to re-allocate approximately \$1,300 from our technology budget and apply it towards this purchase. This will result in a net \$0 change in the proposed PAC budget for 2023/24 school year.
